

2012 Wayne Executive Jetport (GWW) WINGS Fly-In

Annual GWW FLY-IN presented by NC/DOT Aviation and the FAA Safety Team. WINGS seminars, Pilot Proficiency Flight Training, vendor displays and evening banquet. Seminars include Back2Basics featuring Mark Grady, Aircraft Maintenance, Take-offs and Landings, Myths-Lies & Statistics Surrounding Aircraft Insurance, Portable Electronic Device Interference, Military Airspace and more. Enjoy the vendor displays and reduce your risk of an accident by taking advantage of the WINGS Pilot Proficiency Training. See the "Additional Seminar Details" for all the information. Don't miss it!

Directions: Please see map link for detailed driving directions.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
